Discussion about stadium chairs through Cindy Epifanio/Celebrations by Cindy. Cost & availability. Rick will speak to her about adding them to the website with information.

NEW BUSINESS:

Majalise Toland suggested a possible chili feed open house during one of the home league basketball games to highlight the newly remodeled cafeteria & added math dept. The subject was discussed regarding whether it should be a donation only event or if a fee should be charged. No action was taken due to a lack of a motion.
